105 Ramsdell Ln.
Barrington, NH 03825

December 18, 2012

Dear Recreation Participant Parents,

The Recreation Commission & Recreation Department staff want to assure you that we do everything we can to protect the safety of all participants. I have had several conversations with the Superintendent, the Barrington Middle School and Barrington Elementary School Administration to ensure safety within the Recreation Department programs, which are held within School buildings.

Over the next week, both the School Administration and the Recreation Department will be working closely to review and assess security measures at the Discovery Center program, Kindergarten Enrichment program, and the Before & After School programs to continue to provide participant safety. Participant safety is our highest priority.

Over the next week and a half, I will be reaching out to the above mentioned program parents to communicate any and all changes with the programs. If you have any questions or concerns, please do not hesitate to contact me at 664-5224.

Sincerely,

A handwritten signature in cursive script that reads "Tara Barker".

Tara Barker
Recreation Director
